BIDS AND AWARDS COMMITTEE

SUPPLEMENTAL / BID BULLETIN NO. 1

March 20, 2017

This Supplemental/Bid Bulletin No. 1 is issued to modify items in the Bidding Documents for the Supply and Installation of Twenty Seven (27) Airconditioning units with Electrical Works. This shall be an integral part of the Bidding Documents.

Please be informed of the changes in the Bidding Documents, as follows:

1. Section II. Instructions to Bidders

Page No.	Changes	
	From	To
15	(v) Statement of all Ongoing Government and Private Contracts	(v) Statement of all Ongoing Government and Private Contracts shall include such contracts within three (3) years prior to the deadline or submission and receipt of bids

2. In addition to Section V. Schedule of Requirements, page 58:

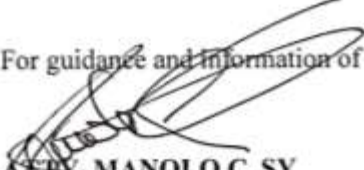

Scope of Works:

1. Demolition Works – dismantling/removal of old and non-functioning ACUs including hauling up to designated storage area in PPSMS. Chipping of affected areas that would give way for the new installation of ACU units as per plan/layout.
2. Installation Works – for the newly supplied ACUs as mentioned above that includes all necessary accessories/peripherals to make all installed units operational.
3. Electrical Works – for all affected units that needs to be rewired/energized. Please refer to plans attached to identify which units are to be provided by this item.
4. Restoration Works – of all affected areas must be restored back to its original position/appearance.
5. Testing and Commissioning.

Mandatory Requirements:

- A certification from manufacturer/supplier that all the supplied Air Conditioning Units and materials/accessories are brand new.
- All copper tubing to be used must be of hard drawn.
- Drain pipes should be carefully installed and tapped to the nearest discharge point.
- Rubber Insulation, Angular Bar Stand, brackets, support and among others related to standard mechanical installation must be provided.
- After Sales and Service must be readily available. (Specify location of accredited service center and parts)
- Certificate of warranties (5 years for compressor and 3 years for other parts and service) of all units to be installed.

For guidance and information of all concerned.

ATTY. MANOLO C. SY
Assistant Commissioner
Chairperson, Bids and Awards Committee
